

2022 Mandatory Dress Rehearsal Schedule
Thursday, May 26 @ Circleville High School Auditorium
388 Clark Drive, Circleville

Info to know...

Dress rehearsal is mandatory! This is our only chance to work out spacing and final notes for our dancers as well as their opportunity to practice on stage before the show. Please wear full costume (excluding team), although hair and makeup do not need to be done. Please be sure appropriate tights and the correct shoes are worn. For the 6 and under classes, ONLY tan tap shoes and pink ballet shoes may be worn. No black shoes. Once your child is finished dancing for the evening, you are free to leave. Guests are not permitted at dress rehearsal. Only parents and siblings. Please plan to stay with your child during rehearsal. Please also make sure he/she is waiting quietly in the auditorium. No students will be permitted to wander the building or hang out backstage. You are responsible for having your child in the designated location during rehearsal and recital. We will not come search for him/her. Likewise, you are responsible for picking children up (6 and under) in the designated area or making sure you have worked out a plan for meeting up with them (7+). Lastly, please make sure ALL fees are paid in full by rehearsal night, or your child cannot participate in recital. You can check with Miss Rita for any unpaid fees. There is a \$10 recital fee due per student as well. We do not sell tickets at the show.

3:00-4:00pm
